Dear Mr. Tilton

I would like to acknowledge that Tilton Pacific Construction has been a Safeway preferred contractor for the past 15 years. During that time, your company has successfully completed dozens of projects – including new stores, conversions, expansion/remodels and interior remodels. Your company has been a great partner for Safeway and will definitely be considered for future projects.

We appreciate your "can do" approach with all of your projects and your ability to work with Safeway's retail operations team during the construction. Your extensive knowledge of grocery stores coupled with a high sense of urgency creates a "win-win" project for all involved.

Thanks again for your commitment to excellence and your dedication to Safeway over the years and we look forward to many more successful projects in the future.

Sincerely,
