Building on our foundation since 1989

We consistently deliver high quality projects on time at competitive prices. But what really sets us apart is our approach to getting there: namely, our understanding that success is measured not only by our ability to meet our commitments, but by the strength of the relationships we build along the way.

Our Services

- Feasibility Studies
- Preconstruction Services
- Design Assistance
- Design/Build
- Estimating
- Site Development
- Tenant Improvements
- Value Engineering
- Scheduling
- Remodels
- New Construction
- Ethnic Supermarkets

Safeway #2697, Natomas CA

Quotes from recent customers

“*Tilton Pacific Construction has been a Safeway preferred contractor for the past 15 years. The company has completed dozens of projects — new stores, conversions, expansions/remodels and interior remodels. We appreciate your “can-do” approach and extensive knowledge of grocery store operations.*”

Sam Lee, Director of Construction, Safeway, Inc., Northern California Division

It's a high-touch business

We build business by building relationships. We succeed by nurturing those responsible for our success: our employees, our subcontractors, and our clients.

Specialized Construction

We respect the agencies and the complexity of rules and regulations that govern our work. We stay current through ongoing staff training and education. Your Tilton Pacific project team brings industry-specific construction knowledge – and the ability to make it work to your advantage.

Tilton Pacific is sensitive to the needs of both owners and users of supermarket facilities.

- Our crews are trained and supervised in how to maintain a clean, secure work environment from start to finish
- We employ safe construction methods to ensure protection of staff, customers and the general public during construction
- We are experts in Supermarket construction and understand all aspects of refrigeration systems, fixture and equipment installation and how to best minimize the construction impact on store operations.
- Our Leed Accredited team can help manage the complex Leed certification process of your project so that you can reach the desired certification level.

Raleys #329, Petaluma CA

Since 1993 Tilton Pacific Construction has been building, expanding and remodeling Supermarkets. Our strength is our experience and our goal is to provide superior customer service. We are a relationship driven company that has successfully completed over 150 projects for customers like **Safeway, Raleys, Albertsons, Ralphs, Winco, Fresh & Easy, Rancho San Miguel** and **Seafood City**. Whether it's building a new 55,000 sf store in 18 weeks or working around the clock to remodel a store we can deliver on our promise to meet your expectations.

Commitment to Green Building

TPC is proud to offer the expertise of our LEED-Accredited Professionals (LEED APs) on staff.

“A Foundation to Build On”
